## ***BLACK ANGELIKA***

There are days when it just pays to come to work, and I like mine. Like when I find a willing patient and I get to take care of them. For me, there's nothing like making a big, ailing cock feel better — and then that cock makes me feel better. I suggest that if you have some time to volunteer, do so. The pay ain't much, but the benefits can be quite large.

## ***BRIANNA BEACH***

I don't know how long it's been since I fucked Barry. For some strange reason I've been thinking about his cock. I just broke up with my boyfriend because his was too small for me. I remember Barry's cock fit my pussy perfectly, and that's what I need right about now. So I got the courage to call him up and told him I was coming right over. I'm going to make the most of it right now.

B073

I would be on fire at this point, wet and longing for him to touch my bare skin.

## Like a Romance Novel

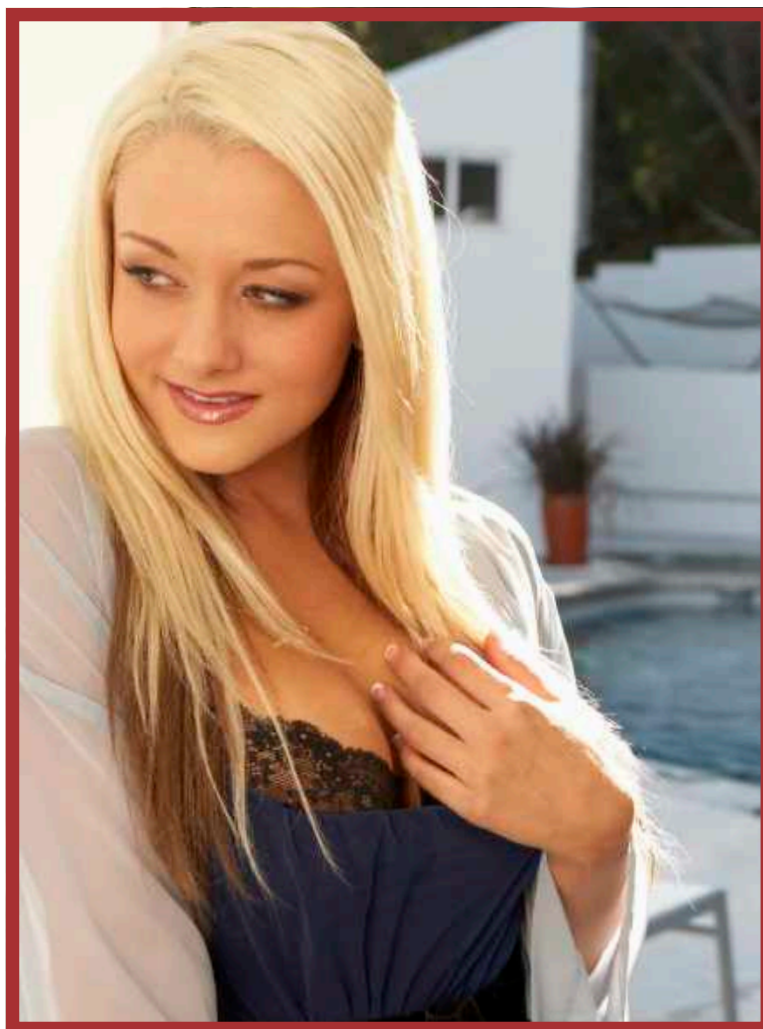

To start I'll describe myself. I have blond-ish wavy hair and blue-green eyes. I'm about 5'5 and petite in stature. I have perky 34D boobs and from what guys have told me – silver dollar nipples. I've also been told I have a phat but tight ass. Anyway, I'd been lusting after him for the past year. He was perfect. He was tall, dark hair, mysterious looking. He had broad shoulders and the way he walked was enough to make any girl crazy. Whenever I saw him I would stare longingly until he was out of sight. My best friends knew of course and joked with me about it but I couldn't get him out of my head. I imagined what it would be like if I ever got the opportunity to fuck him. I would be happy just talking to him, but talking isn't what turns me on.

I would be animalistic with the way I kissed him. It would be passionate. Our tongues would be dancing as fluidly and sensually as it can happen. I'd bite his lower lip and run my tongue across it. He would grab me and throw me against the wall. His hands would be all over me. His hands were even

sexy to me. Big and strong. Grabbing me all over; squeezing my boobs and roaming all over my ass. I'd be moaning quietly, biting my lip and holding back the scream of pleasure that was building inside of me. His hands would find their way under my shirt as he nibbled on my neck. I would be on fire at this point, wet and longing for him to touch my bare skin.

I wouldn't be able to take it anymore. I'd rip his shirt off and kiss his neck in thanks for the way he was making me feel. He'd follow suit and rip my shirt off. Squeezing my boobs and grunting out of lust. The bra would come off next and he'd attack my nipples with his touch. Sucking and nibbling on them. I would be getting wetter, the desire was immense. My hand would shoot to his jeans. His hard cock throbbing inside them. I'd grab his cock and rub it through his pants. Oh how I wanted it. It was so ready for me as hard as it was.

He could tell how bad I wanted him and he wanted me just as much if not more.

*His tongue slithered  
onto my pussy, past the  
folds of my lips,  
right onto my wet,  
hot, longing slit.*

He would start rubbing my pussy through my jeans. He would feel the heat emanating through them and his cock would get a little harder and I would squeeze it a little more. We would make eye contact and see nothing but lust. We would rip off each other's pants at the same time.

And as we would stand there in our thong on my end and boxers on his, we could do nothing but lunge at each other. It was all grabbing and rubbing and kissing and biting. We needed each other more than anything else in the whole works.

He would throw me on his bed at this point and rip off my thong. He would slowly kiss me from a long, hot, lingering suck on my bottom lip; to my neck on the sweet spot that always gets me; to each nipple, sucking each one forward, causing a small moan to escape my lips; then down past my belly button, flicking his tongue inside it; to just above my clit on my shaved mound. He would smell my lusty, womanly smell and need every ounce of strength inside of him to not fuck me right there. He wanted to tease me and make me beg. And he was about to give me the fuck of my life.

He slowly kissed around my pussy. Sucking and nibbling on the lips. I would be moaning at this point, my pussy getting wetter with each passing moment. He knew how to tease me, he knew to avoid giving

me what I wanted so I would beg. I tried to hold out; I didn't moan as loud as I really felt I wanted to, I had to be resistant to him or he

would have all the control. All of a sudden I felt his tongue slipping more and more closely to my clit. I couldn't take it anymore and I screamed, "Eat my fucking pussy now and don't make me wait anymore!" With that he went for it.

His tongue slithered into my pussy, past the folds of my lips, right onto my wet, hot, longing slit. I was screaming, moaning his name and quietly repeating "fuck me" under my breath with each pass over my pussy. He was purposely avoiding my clit, making me wait for what I really wanted most. My hands were on the back of his head, pushing his tongue deeper inside me. My juices were flowing and that familiar feeling was just emerg-

ing inside of me. My moans were getting throatier and I knew he could tell he had me on the verge of a powerful orgasm. Without any warning his tongue snaked its way up to my clit. He was furiously flicking the tip of his tongue across my throbbing clit. I was in unbridled ecstasy.

My back was arched and my moans were continuous and deep. My hands were on his head and my fingers gripping his hair. "Ugh baby, right there, don't stop I'm about to, ugh ugh UGH AHHHHH!" My body shook as I came the hardest I ever had in my life. It took me about a min-

*I knew how bad  
he wanted me  
and that alone  
was enough to make  
me cum again.*

ute before the convulsions stopped and I slowly eased off the wave of pleasure that had rushed over my body. His eyes were locked onto mine and I saw how much my orgasm had turned him on. I wanted nothing more than to return the favor.

I lunged at him. Shoving my tongue inside his mouth. My fingers were running through his hair and I was grinding my pussy against his boxer-covered rock hard cock. I pushed him back against the pillows and whispered into his ear, "Don't worry baby, I'll take care of you now." I slinked my way down and kissed him right above his boxers and on the muscular "v" that was the arrow pointing me to what I really wanted.

His cock sprung out at me. It was a bit larger than normal and fairly thick. It was so hard it was throbbing and I heard him say, "Fucking suck it baby, I need you" I didn't need to be told twice. I grabbed his cock and felt the smoothness but still strong and hardness of it. I kissed the tip, which was a bit slippery from precum. That's a taste I'll always long for. I knew how bad he wanted me and that alone was enough to make me cum again. But I had work to do. I started to kiss him all up and down his shaft. Running my lips against it and sometimes the tip of my tongue would graze it. I made my way back up to the tip. I sucked it into my mouth and

started doing "figure 8s" with my tongue across it.

At this point his hands made their way to the back of my head. His eyes were closed and his mouth slightly open. He wanted more and that's what I wanted to give. I started to take his cock into my mouth. As I slowly sucked him, my tongue would slide across the bottom. I heard grunts of approval and a quiet "more baby" as I pushed his cock further down my throat. His cock was sliding in and out of my mouth fast and rough and it was becoming slicker. I felt his cock twitch and grow slightly; hardening from the lust. His hands were tangled in my hair and he was shoving my mouth onto his cock. My pussy was getting wetter, I loved how bad he wanted me. I heard him say "Fucking shit baby, come here and bend over, I need your fucking pussy."

I gladly obliged and moved to the front of the bed. I stuck my ass in the air, spreading my legs a little so he could see my puffy, slippery slit. He grabbed my hips and slowly slid his hard cock inside me. I felt my pussy gripping him and contouring to his girthy cock. His path started out slow, he was being gentle with me and it was getting me hot. I wanted more. I started moaning, "Baby pleaseeeeee." "Oh yeah baby? You want more, you want this fucking cock harder?" "Yes baby, please fuck me harder." With that, he started ramming me. His cock was sliding

in and out of my dripping pussy so fast and hard. My body was flying forward and coming back onto him with each thrust. He started to slap my ass, loud and hard and I could feel the handprints beginning to form. He then reached forward and grabbed my hair.

He pulled my head backwards and fucked me even harder. An orgasm was slowly creeping up again. "Ughhhh baby, you fuck me so good, I'm gunna fucking cum." With that he leaned forward and pressed his thumb into my clit and started rubbing. That was the final straw. I started cumming all around his cock. He never slowed his pace. Ramming his cock into my pussy and my juices flowed down onto him. As my orgasmic high started to fade I heard, "You fucking dirty bitch, you love how hard I fuck you? Now I want you to ride me, I want to see how bad you really want it"

Seeing as that is my favorite position and I would do anything to please him at this point, I gladly hopped right on top of him. I started sliding my pussy onto his cock, which was fairly easy from how wet I was. We were making eye contact the whole time, "Ooooh baby, I see how bad you want me, your fucking pussy is so wet" My whole body was tingling. I started to bounce up and down on his cock. I could feel it going deeper and deeper inside of me. I was moaning and squeezing my boobs as his cock was going in and

out of me. I sped up my pace, rubbing my clit as I rode on him faster and faster. "Ohhhh yeah baby, you fucking love riding my cock." He

pushed my hand out of the way and pressed his thumb into my clit. I came again, "Ughhhh baby I fucking love your cock in my tight pussy."

He flipped me onto the bed with that and pushed my legs back. My pussy was staring up at him, begging for more. He grabbed my hands and held them above my head. I couldn't move from my position, I was completely submissive to him at this point. This only turned me on more as I whispered to him, "Baby, please fuck me as hard as you can, just like this." He rammed his cock into me. I could feel it hit the deepest region of my pussy. He continued to fuck me that deep and got faster and faster with each thrust. I was on cloud nine, my pussy

was gripping his cock like a vice. I started to cum again, "Ugh, fuck yeah baby cum for me again." and just as that orgasm ended, he pumped harder and another one began. "Oh yeah baby, that's fucking right, come here and suck my cock, I'm gunna cum."

I flew over to him, I wanted to taste him so bad. I skipped all of the teasing and sucked his cock deep and fast. He started grunting and his rigid cock twitched as spurt after spurt of tasty, hot cum slid down my throat. I had finally gotten what I had always been lusty after, and I was beyond satisfied.

## SUNNY LEONE

Two weeks ago, a good friend called me up and invited me to stay the weekend at her beautiful Hollywood Hills home while her husband was off to Europe. I was happy to go, but only if I could bring something. "Like what?" she asked. I told her I had just bought some really cool toys and wanted to try them out. "Why not?" she said.

## CASSIE ROSE

It's Michael's birthday today, and I'm going to surprise him with a singing telegram dressed a horny police officer. He had a photographer there to capture the whole thing. I loved it. I did my little dance, and then let him motorboat my boobies. Soon, we were fucking for the camera. I hope he got me sucking down that cock of his.

# MOUTHS AND PUSSIES AND COCKS, OH MY!

## TAILGATER

All my life, I've been a tailgater. As a kid, I came to the games with my dad and granddad, who taught me everything they knew. And as I grew into a tall, slim blonde with a rack, I've brought my love of the game, especially the tailgate, wherever I go.

It's a great time, gathering around other fans in a moment when anything is possible. Even in a terrible season, there's the mantra that any given game is a new opportunity, another possibility for a win. With so much energy, sometimes the wild side appears. That happened earlier this season. My husband and I were out before the game like normal, along with a few friends. The drinks flowed, and we were on a small winning streak that added to the energy. And one of my husband's friends bet he wouldn't do me right there in the parking lot.

If there's anything you should know about me, it's that I take bets seriously, and even though he tried to weasel his way out of it, I lowered the truck gate and jumped on, already going to drop my pants before any of them re-

acted. Even then, they only wanted to lower one side of the pop tent we used for shade while our friends gathered around us as a second shield.

Of course, my husband was hesitant, but I gave him a wink and told him it'd be all right, and before he could think about it again, he pulled out his cock and started sliding in and out to a great cheer from our friends around us. It didn't take long for him to find his confidence, and the crowd seemed like they pushed him harder and faster, and it wasn't long before I felt him fill my insides with his thick juice.

Finally, he leaned in to kiss me, and our eyes met. I knew what he was thinking because we'd talked about swinging in the past, but now with this audience here, a shared thought passed between us.

He turned to his friends and stepped aside, with my legs showing my open crotch, and he called out to the group, "Who's next?" They all looked at each other before a line of our friends suddenly formed. First were my husband's horny friends who jumped at the opportunity, but then even their wives and girlfriends got in on the act as one

of them somehow had a strap-on they were starting to pass around.

I lay in the back of the truck, dicks sliding in and out. I vaguely heard my husband's voice keeping the line. I just held my legs up and enjoyed it. One after another. Some dumping loads, some only getting a few thrusts in, some shooting up over my chest, and even a couple aiming for my ass! I took it all, each motion sending floods of pleasure surging through my dirty body.

I looked up after what must have been the dozenth dick to see a face I didn't recognize and a line going out of the tent. Word had spread as far as my legs. I let out a whoop as loud as I could, enjoying the feel of so many who wanted me, even if only for this. I felt alive and powerful, on my back and in control. I started letting my pussy grab hold of their cocks, pulled them in deeper, massaged them, and squeezed them quicker so we could move on to the next.

I know it's not for everyone, but it was an incredible and electric experience for me! I felt alive in a way that one person alone could never fulfill. I love my husband even more so

that he is happy to see me happy in ways most wouldn't expect. When it was finished, he said that 22 guys and chicks slid inside me before he cut off the line to be sure we made it into the stadium for the game. We won that game with 22 points, and it feels like we have a new tailgate tradition!

## TALENT SCOUT

It all started as Sonia and I were heading to a small Italian restaurant in Philly. I sure hoped the meal would show my good taste in fine food. I had been there a couple times before and it did not disappoint. I especially liked the large semi-circular, over-stuffed booths around the perimeter of the main dining room. And with the long red and white checkered tablecloths, no one could see what was happening below table level. Nor did anyone really care. Besides, the food and drinks were great.

Sonia is a "talent scout," she says, for an adult production company and she spotted me working at another restaurant and thought I was good "man meat" as she called it. I agreed to meet her and here we are now seated in a

corner booth and ordered a couple glasses of wine to start along with the antipasto. Our conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Sonia started to go a bit further than just rubbing my leg. She went for the zipper, found it and zzzzzp, pulled it down in one swift move.

"No underwear?" she whispered in my ear. "Not tonight," he replied. "That's funny, not me either," she said as she found my cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails across and around the turgid head. That singular sensation almost made me cum right then and there, but she squeezed hard and stopped me.

She leaned in and told me she liked my hardness. Then taking my hand off the wine glass, she guided it under the table to her wet pussy. With no undies, she tells me to be quick because if she gets too wet, she'll stain her dress and embarrass us on the way out. My fingers deftly find her snatch and feel no pubic hair.

"You're bald?" I ask as I squeeze the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Well, that was enough to get

two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." We both giggle and the waiter smiles and moves on.

Dinner's over and she invites me to her home. I pull into her driveway about midnight and we are feeling warm and fuzzy. Sonia invites me in and takes me by the hand straight up to her bedroom. Once inside, Sonia lets her long dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly framed her face and her breasts are bigger than most and, as I will soon find out, quite firm. Her hips are round and butt's firm, and yes, she has a landing strip.

Sonia told me to show her what I can do. She fell back on the bed, propping herself on her elbows and looking at me as I have been taking it all in. She rolls over onto her belly and motions me to join her. In no time flat, I'm naked and sitting on the bed beside her. I then kiss the back of her neck, dragging my fingers down along her back.

Sonia rolls on her side and positions her head in my lap, instantly sucking on

my cock. I fall back on the bed to give her better access to my cock and balls. She grabs them as she sucks down my cock. I slip my hands around her boobs and my fingers find her nipples and I squeeze them hard. She yelps and in return gently bites my cock, baring her teeth for me to see. I squeeze them again and she gulps the whole thing down and gives my scrotum a twist, that I find painfully pleasurable.

I slide my hand up her legs and finds her swollen clit, massaging with my fingertip over her quivering bud. I plunged my fingers into the juicy depths of her pussy and finger fucked her while she sucked me. Slowly, I sensed her cock sucking became a bit more mechanical. Like can she make me cum quickly. I want to hold out.

Soaked by her pussy juices, my fingers begin exploring her perfect butt hole. In the dim light I can see her brown star quivering with anticipation and she does not deny it. Gently circling it, I plunge a finger in knuckle deep. She moves her butt to help push it in deeper.

I felt Sonia's butt cheeks quiver as she felt her booty penetrated. But the penetration she wanted would take a little time. She dipped her own fingers into her wet pussy and slickened

her ass as well. She switched her position to spoon me so my cock could enter her ass more easily. She pushed onto my cock with only a slight wince of pain from the initial entry into her small hole. I pushed forward, carefully pushing my cock into the tight confines of her anus. I reach around her and massage her breasts, pulling her tighter into me as I slowly but firmly push his cock all the up her ass. She arches back and grinds her hips into me.

I plunge a couple fingers into Sonia's soaked pussy, then pulling out my fingers and bringing the sensual taste to her lips. She sucks them clean as she feels my cock fill her and massage her insides. We remained on our sides, relaxing in the pleasure of one another's bodies and basking in the tingle that rippled over our skins; me with my cock imbedded in the warmth of her body, her ass filled to the hilt with my photographically perfect cock.

But all this was not enough. Sonia's pussy was still empty and she wanted it filled. She lifts a pillow up and stashed under it is her vibrator. She pulls my fingers out and thrusts the vibe inside her, turning it up to full blast. I feel the pleasantly odd sensations as well. It feels like my cock's surrounded by the delicate warmth of a vibrating body.

She clutches one of the pillows as she holds the vibe inside herself. Her body begins to shake as her climax closes fast. She pumps her ass back into my big cock wildly as the orgasm envelops her body and all in the world is unnecessary except this moment with this person. I hoped it was real.

I ride her climax, gritting my teeth as I moan out loud, "I'm cumming!" My final thrust spurts my love juice deep into her ass and fills her with the hot delight of my cum. Slowly she pulls away and my cock falls limp.

We lay together in sweat and a gallon of love juices on a bed drenched with our lust; her sphincter sore but happy; my cock satisfied but ready for more. We both lay on our backs as the heavy breathing subsides. Sonia opens her night stand drawer and reaches in for a notepad. She jots down some phrases and puts it back. I'll let you know what happens after she tells me.

"Oh come ye, fair maidens throughout the land. Your men are here and they be as hard as they can." We think that's an old English proverb, but it doesn't really matter. You get the hint...
